ACTION: Proposed rule; request for comments.

SUMMARY: The Postal Service proposes to revise *Mailing Standards of the United States Postal Service*, International Mail Manual (IMM®), to reflect changes in the prices, product features, and classification changes to Mailing Services. These changes would also implement a lower maximum weight limit on First-Class Mail International® (FCMI) large envelopes (flats), to bring them closer to compliance with Universal Postal Union (UPU) standards.

SUPPLEMENTARY INFORMATION:

International Price and Service Adjustments

On October 10, 2018, the Postal Service filed a notice with the Postal Regulatory Commission in Docket No. R2019-1 of mailing services price adjustments, effective on January 27, 2019. The Postal Service proposes to revise Notice 123, *Price List*, available on Postal Explorer® at <https://pe.usps.com>, to reflect these new price changes. Proposed prices are or will be available under Docket Number R2019-1 on the Postal Regulatory Commission’s website at www.prc.gov.

Over the course of time, country names have changed due to a variety of political or cultural reasons. In collaboration with International Postal Affairs and requests made through the UPU, the Postal Service is updating country names throughout mailing standards, changing Great Britain and Northern Ireland to United Kingdom of Great Britain and Northern Ireland and changing Swaziland to Eswatini.

This proposed rule also describes the price and classification changes and the corresponding mailing standards changes for the following market dominant international services:

- First-Class Mail International (FCMI) service
- International extra services and fees.

First-Class Mail International

We propose no increase in prices for single-piece FCMI letters, postcards, and flats. The price for a single-piece 1-ounce letter remains \$1.15. The FCMI letter nonmachinable surcharge remains \$0.21.

On October 10, 2018, the Postal Service filed a notice with the Postal Regulatory Commission in Docket No. MC2019-3. In this filing we propose a change in the maximum weight limit for First-Class Mail International (FCMI) large envelopes (flats) to 15.994 ounces, in lieu of the current 64 ounce limit. This change will more closely align the Postal Service's definition of FCMI large envelopes (flats) with the Universal Postal Union Convention's definition, which allows a maximum weight of 500 grams (17.6 ounces) for flat-shaped letter post items.

A mailpiece weighing 16 ounces or more that is presented as an FCM large envelope (flat) will be charged the applicable First-Class Package International Service[®] price. Alternatively, the mailer could elect to use another class of mail such as Priority Mail Express International[®] or Priority Mail International[®], if the mailpiece meets the requirements for those mail classes.

International Extra Services and Fees

The Postal Service proposes the following increase in fees for certain market dominant international extra services including:

- Certificate of Mailing.
- Registered Mail[™].
- Return Receipt.
- Customs Clearance and Delivery Fee.

- International Business Reply™ Mail Service.

Accordingly, although exempt from the notice and comment requirements of the Administrative Procedure Act (5 U.S.C. 553(b), (c)) regarding proposed rulemaking by 39 U.S.C. 410(a), the Postal Service invites public comment on the following proposed changes to *Mailing Standards of the United States Postal Service*, International Mail
